

**IN THE MICHIGAN COURT OF APPEALS**

**ORDER**

Re: **Stephanie Lighte v Regina A Hunter**  
Docket No. **290432**  
L.C. No. **03-003107 AO**

Henry William Saad, Chief Judge, acting under MCR 7.203(F)(1) and 7.216(A)(10),  
orders:

The claim of appeal filed on February 13, 2009, is DISMISSED for lack of jurisdiction. An order denying an untimely motion to revoke is not a final order appealable by right. The orders entered in Shiawassee Circuit Court in 2003 were the only orders that were appealable by right. However, appellant did not preserve the right to appeal by either filing a claim of appeal or a motion to revoke within 21 days of the 2003 orders. See MCR 7.204(A)(1)(a) or (b).
